2. How to link Linxura with Hunter Douglas.

Step 1:

Make sure your Hunter Douglas device is set up in the Hunter Douglas app and functioning properly. **Make sure Linxura, Linxura app, Hunter Douglas are connected to same Wi-Fi network.**

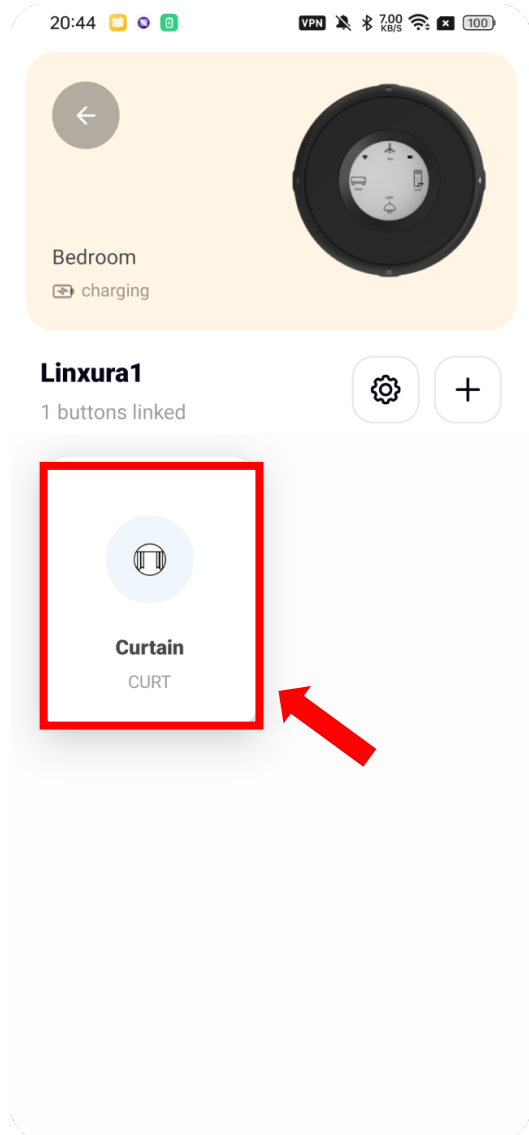

Step 2:

Open your Linxura app and then select the Linxura you want to bind with Hunter Douglas.

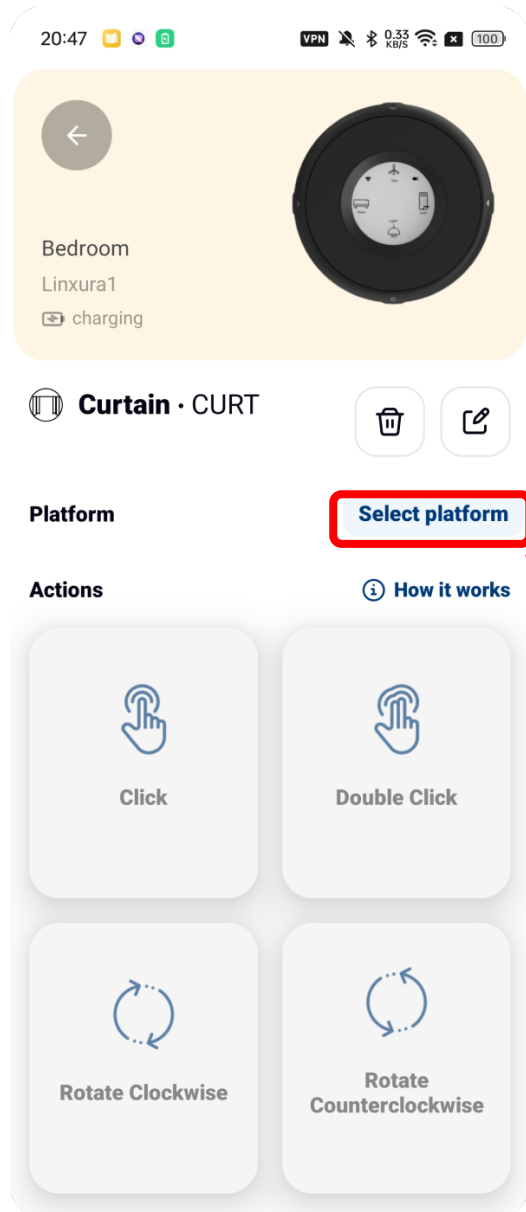

Step 3:

Choose a button.

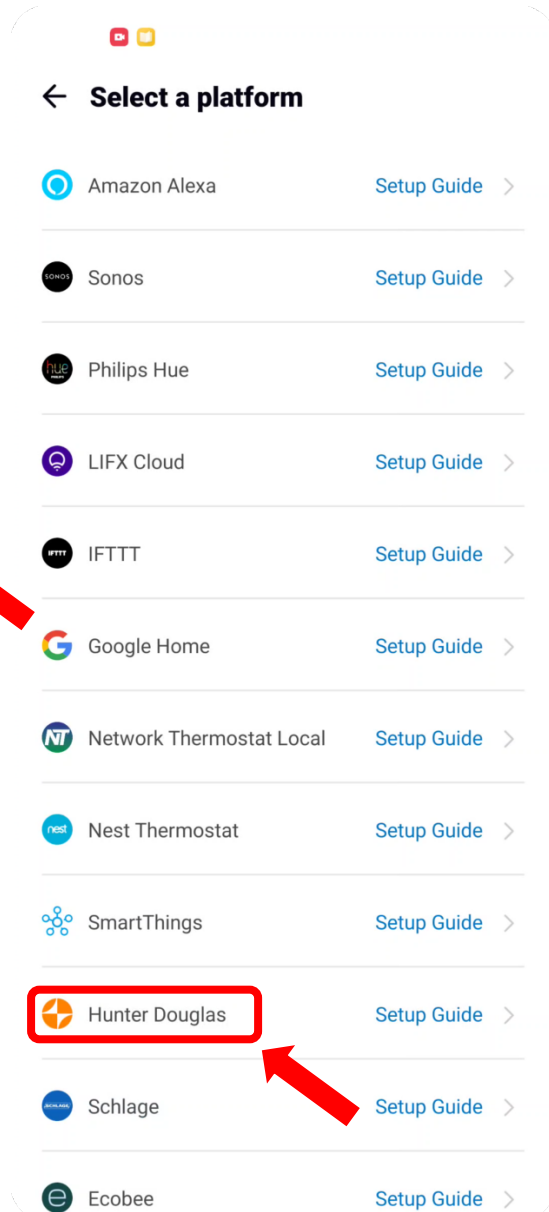

Step 4:

Click 'Select platform'.

Step 5:

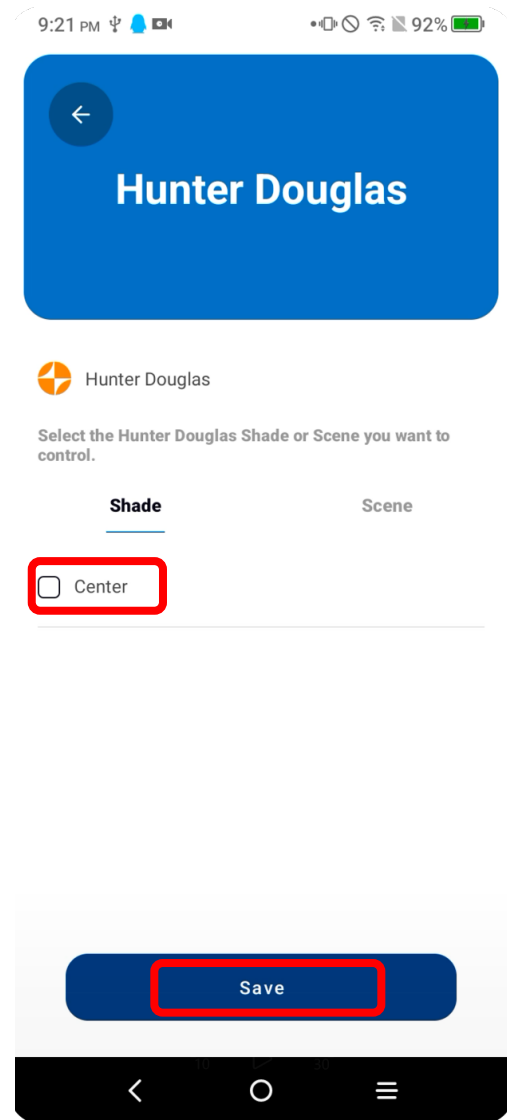

Select 'Hunter Douglas' option.

Step 6:

Select Hunter Douglas Shade and click 'Save'.

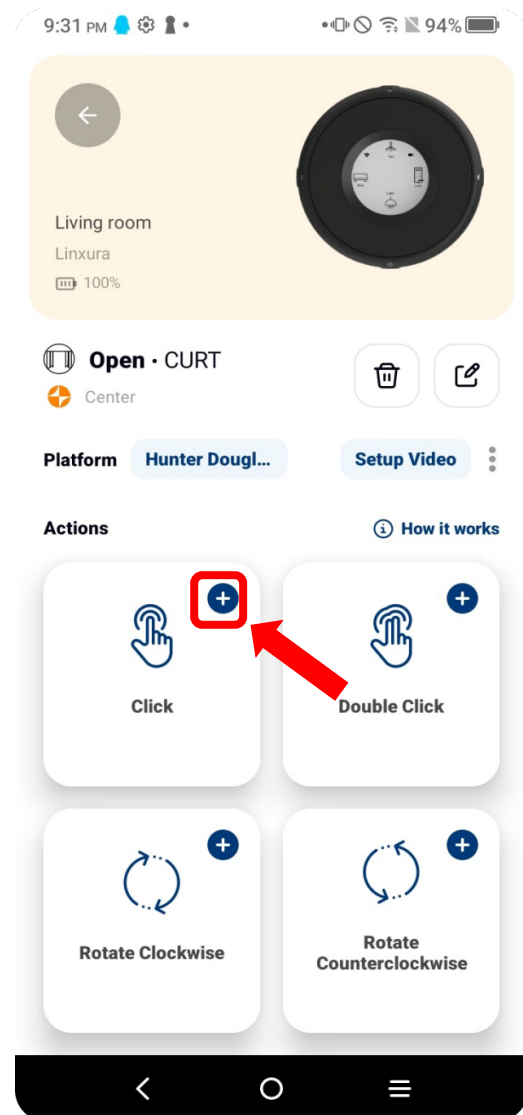

You can also select Scene (Scenes are configured on the Hunter Douglas app).

3. How to use Linxura to control the Hunter Douglas device.

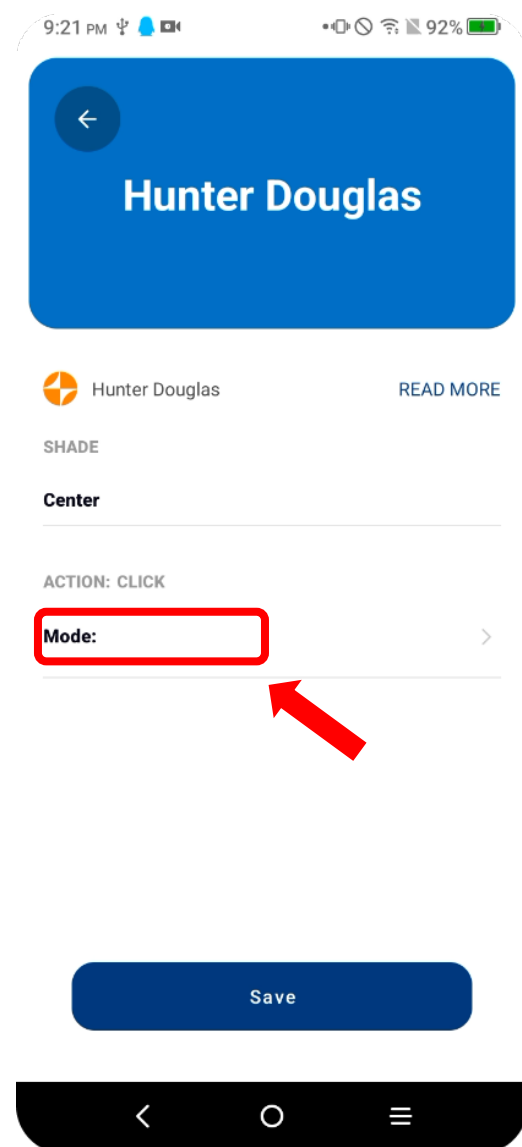

Step 1:

Click the '+' icon to add a Click Action.

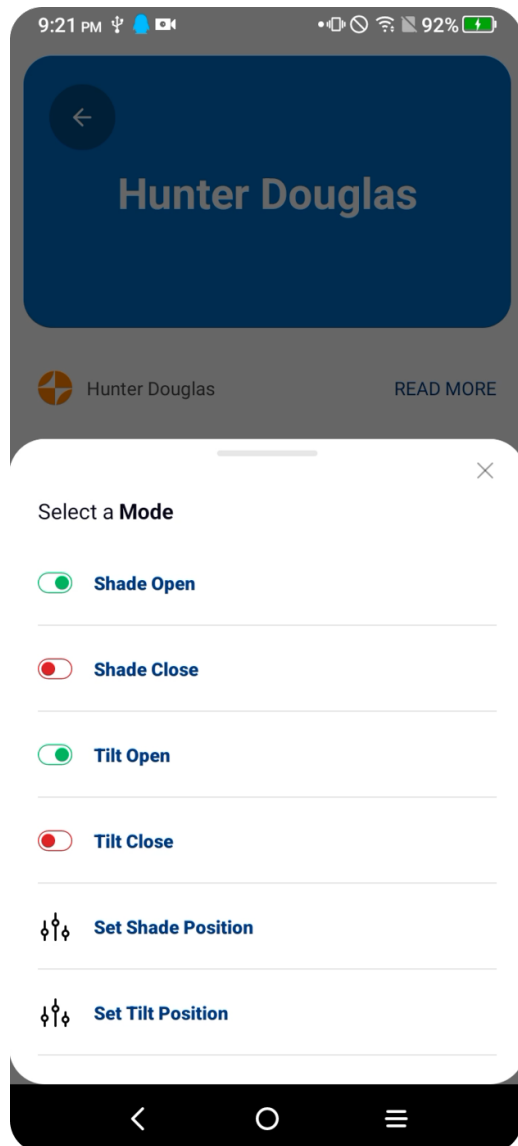

Step 2:

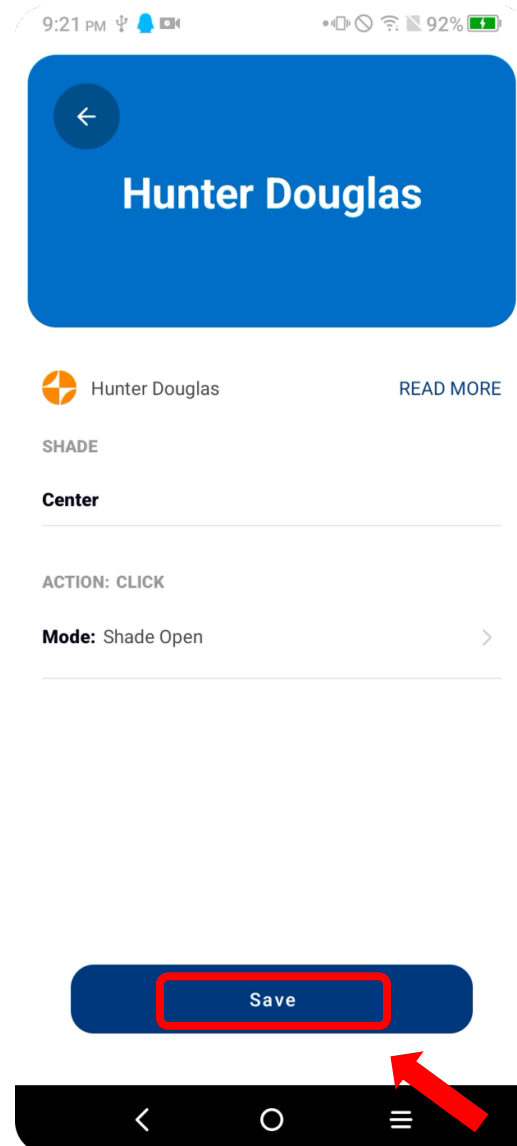

Click 'Mode' and select one of the options.

Step 3:
Select one of the options.

Step 4:
Click the 'Save'.

Step 5:

You can follow the same steps to configure Double Click, Rotate Clockwise, and Rotate Counterclockwise.

You can now use Linxura to control your Hunter Douglas!
