1. How to link Linxura with Resideo devices?

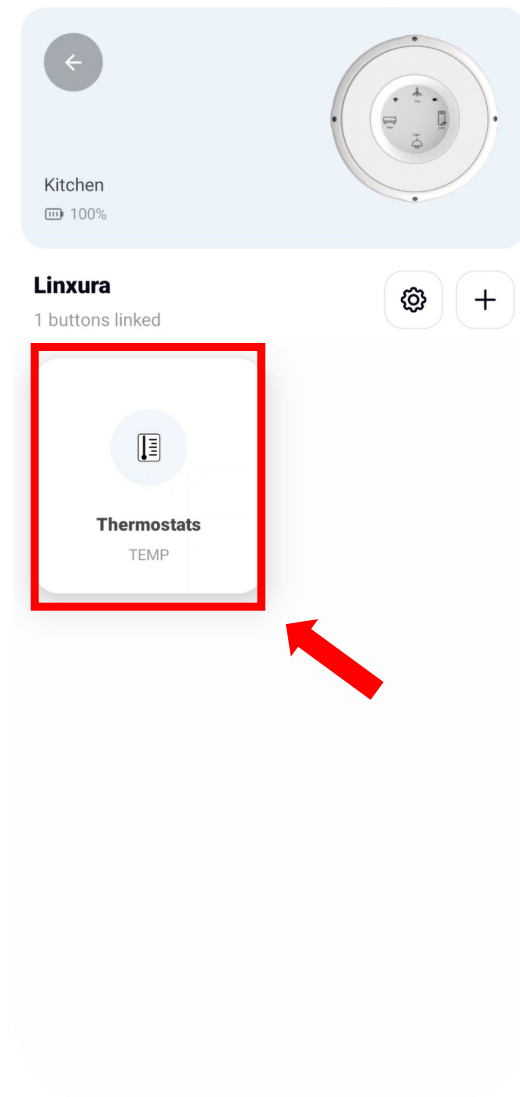

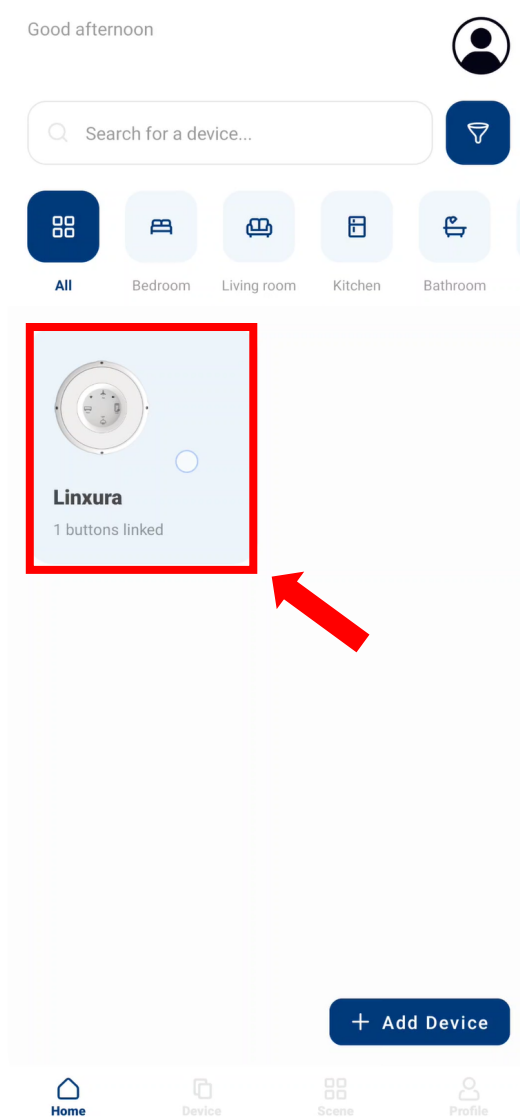

Make sure your Resideo device is set up in the Resideo app and functioning properly.

Step 1:

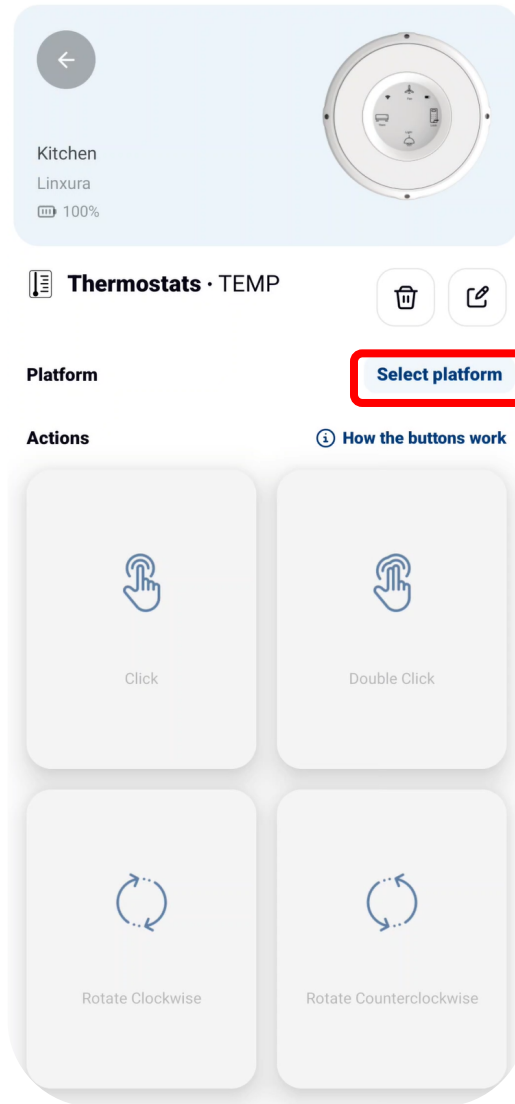

Open your Linxura app and then select the Linxura you want to bind with Resideo.

Step 2:

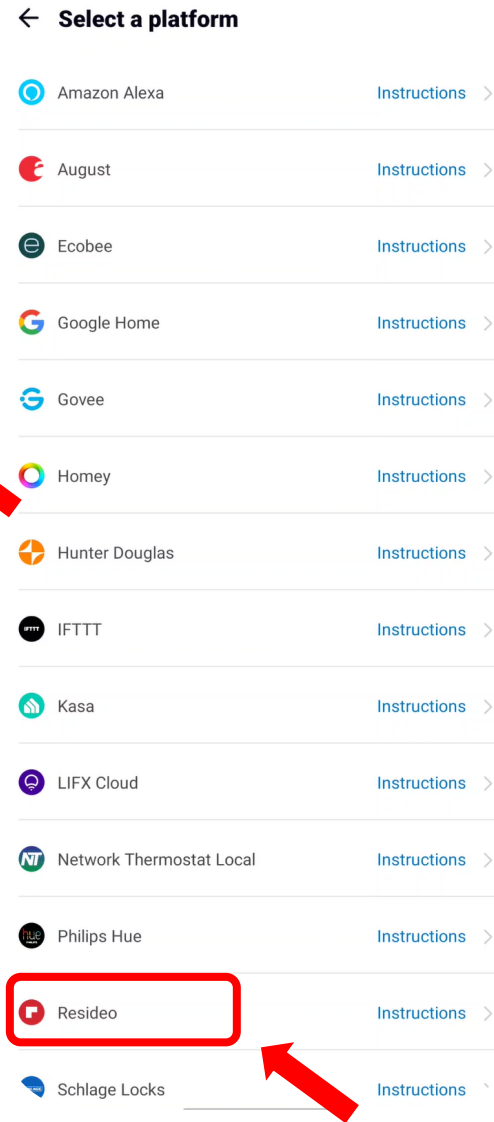

Choose a button.

Step 3:
Click 'Select platform'.

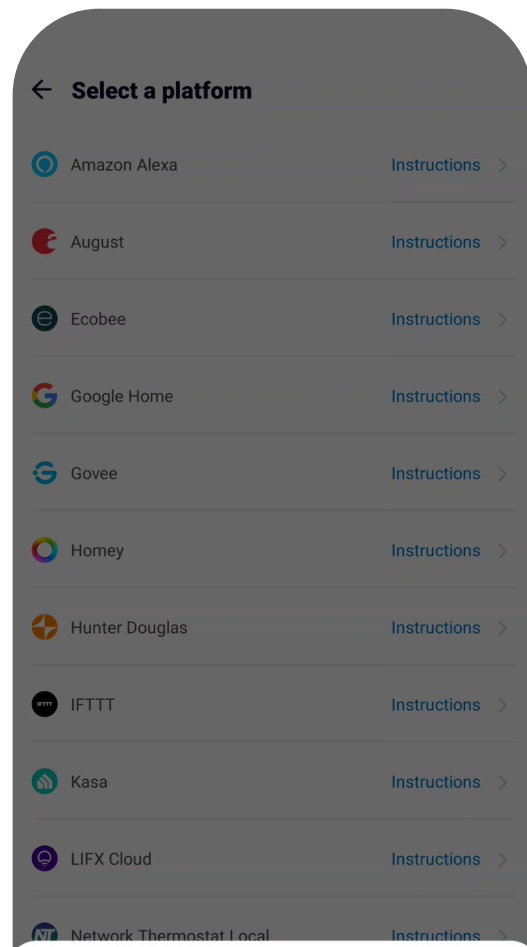

Step 4:
Select 'Resideo' option.

Step 5:

Click 'Confirm' to complete the authorization.

Attention

Authorization required.

Confirm

Step 6:

Login to your Resideo account and authorize Linxura.

Step 7:
Click 'Allow'.

Step 8:
Select the device and Click 'Connect'.

By selecting Allow, you acknowledge and agree that:

Resideo will share certain information about me and my devices with **linxura**.

I am giving **linxura** and/or the program service provider access to the devices that I select.

I will be subject to **linxura's** terms of use and privacy statement.

Step 9:
Select the Resideo device and click 'Save'.

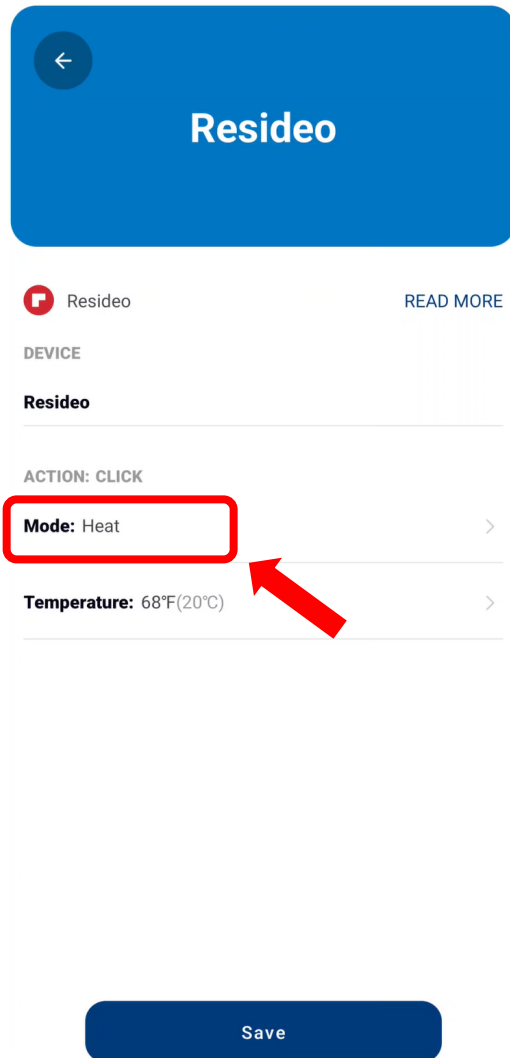

2. How to use Linxura to control the Resideo device.

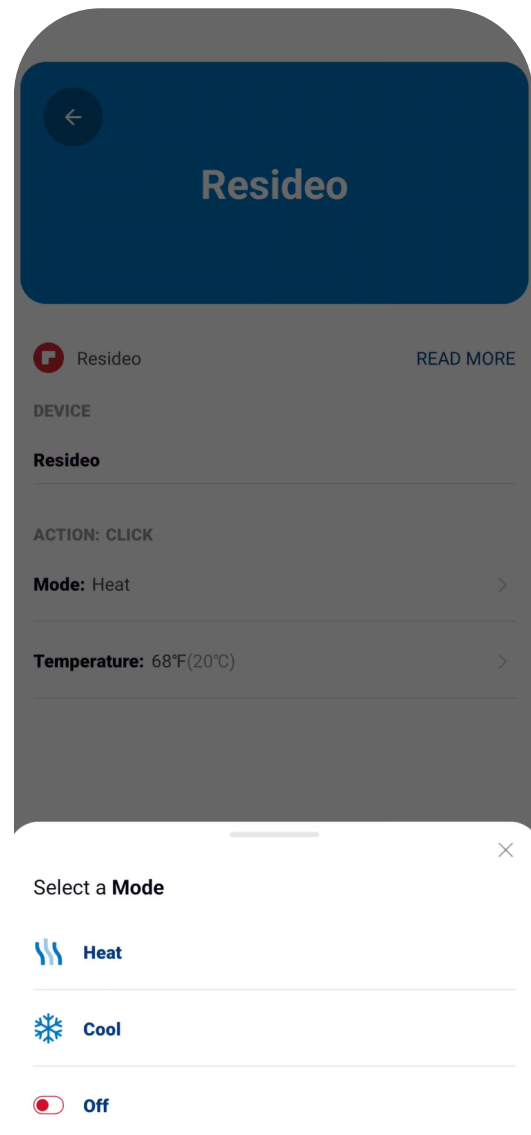

Step 1:
Click the edit icon to customize actions.

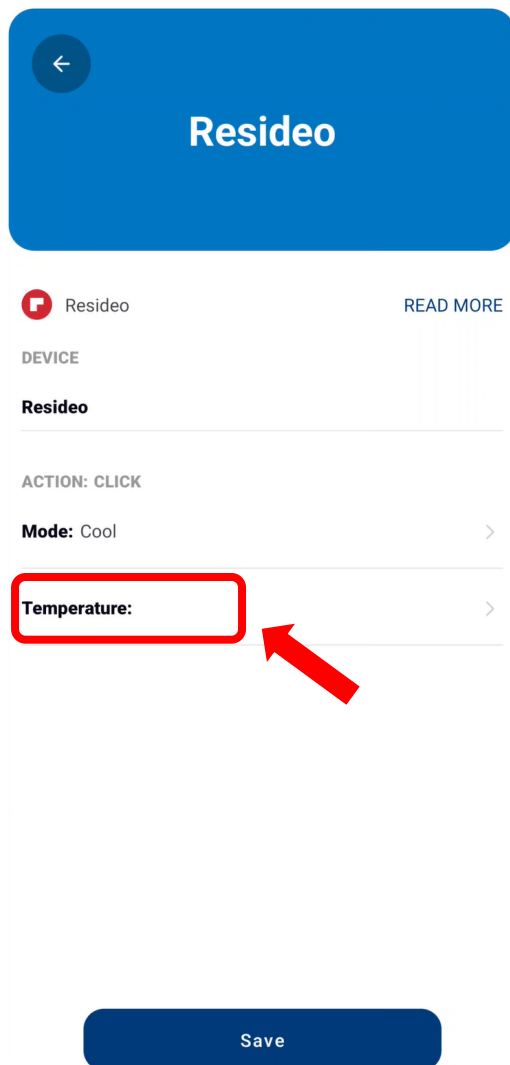

Step 2:
Click 'Mode'.

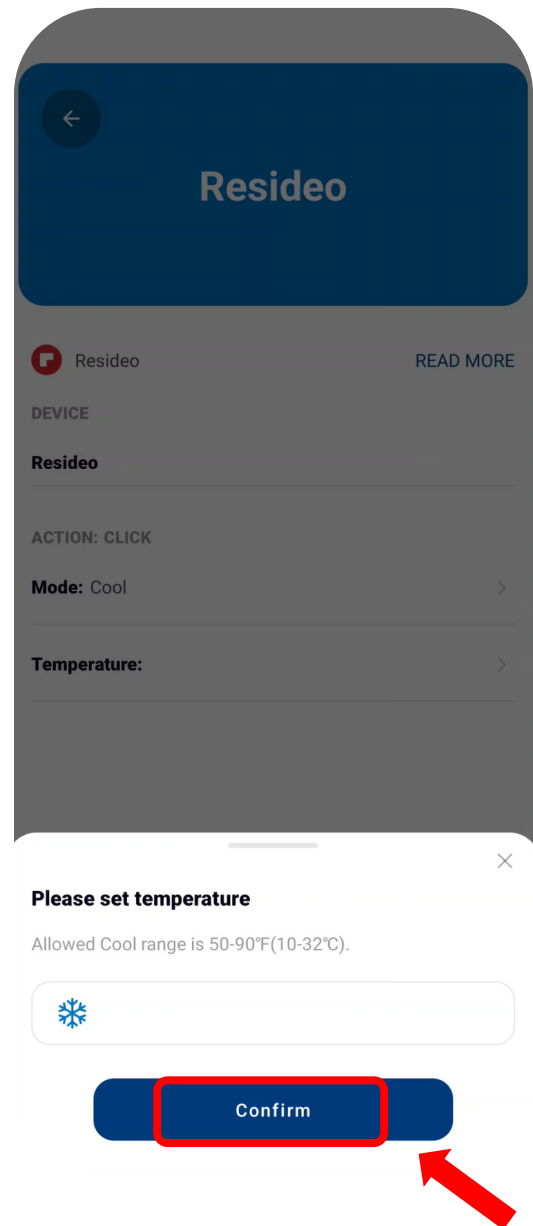

Step 3:
Select one of the 'Mode' options.

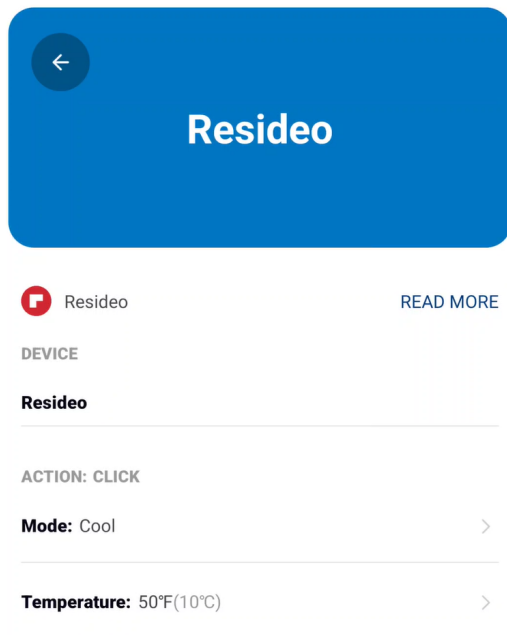

Step 4:
Click 'Temperature' option.

Step 5:
Please set the temperature you like and click 'Confirm'.

Step 6:
Click 'Save' to save the Click Action settings.

Step 7:
You can follow the same steps to configure Double Click, Rotate Clockwise, and Rotate Counterclockwise.

You can now use Linxura to control your Resideo device!
